Winter Apparel Rental Information

Daily Rental Rates

- Snow Bibs \$12 for 4 days
- Snow Boots \$12 for 4 days

How it Works

You can pick up the items at any time during business hours and they will be **due back by 3pm on the 4th day**. Any items returned after 3:00pm on the 4th day will be charged a \$5 late charge per item per day.

There is a \$20 deposit per item due when you pick them up. It can either be cash or with a credit card. When you return them, we will refund you the difference between the deposit and the rental charges including any late fees.

All rentals are done on a 1st come 1st serve basis. Unfortunately we cannot take any reservations. Holiday weekend rates may be different. Other terms and conditions apply-please see store for details.

Call us with any questions. Thanks – we appreciate your business!
